Celebrating 20 years of service to Phoenix's Central City.

May 24, 2007

Mr. Bryan Vincent
Bryan Vincent Associates
300 West Clarendon Avenue – Suite 225
Phoenix, AZ 8501

Dear Bryan,

On behalf of the Phoenix Community Alliance (PCA), we want to extend our appreciation to Bryan Vincent Associates for their tremendous support through the years. Without your help PCA would not be able to communicate as well with the many organizations we work with throughout Central Phoenix. Our effectiveness as a major contributor to the development of our Central City would be limited. Bryan Vincent has truly opened the doors to our organization keeping our technology needs current and functioning.

We want to let you know how much we appreciate your support!

In addition, we wish to tell you how much we value Jeff McIntyre. His expertise and friendly, helpful technical support has been a guiding force in the day-to-day operation of our office. He is an asset to Bryan Vincent Associates and to PCA. We are never concerned about losing time or important data. We are in good hands!

We are grateful and want to let you know!

All the best,

Don Keuth
President
